

Tour in buggy around Temple of Segesta and hot river

The starting point of the tour is the Segesta Parking - Parcheggio Area Archeologica di Segesta, there'll be a briefing and then we'll embark toward the countryside lands of Segesta.

	Meeting point	Segesta
	When	Every day
	Duration	3:45
	Shared	Min. 2 pax

Sicily culture trip crossing wonderful farmland, we'll have a first break near the vineyard and the orchard where there will be the possibility to taste seasonal fruit produced on the site, such as black and white grapes, mulberries, pomegranates, melons, figs, and other goodness of nature. Along the road, there will be different breaks where your It will look like to be inside a living Sicilian adventure park.

Thanks to Sicily package deals ou'll go throught country to hot river, exploring coniferous and the typical Mediterranean scrub -which is also rich in kestrels and peregrine falcons-.Then wi'll sto in natural puddle (polle del crimiso), with possibilities to do a relaxing hot bath. Tour continue between countryside. Finaly Thanks to a panoramic view you will then be able to admire the temple and the wonderful panorama of western Sicily that goes from the view of the Egadi islands to the Gulf of Castellammare. The Tour of western Sicily finally ends with the return to the starting point. Guide will introduce you to the territory and provide typical brad and sweet of Sicily.
