

Astrea 42

Berths: 8+2+1

Cabins: 4

Bathrooms: 4

With its sleek and dynamic silhouette, while creating stunning volumes inside the boat despite its relatively small overall size.

What we call "together" occurs when the right balance is struck between being close to others and respecting one's privacy. This subtle harmony is the very soul of the Astréa 42 cruising catamaran. Between the helm station and the outdoor living or relaxation areas, from the roof to the cockpit, there is the possibility of emotional interactions, through unlimited freedom of movement.

The Roof has a double seat on the bridge, near a sunbathing area to experience the thrill of sailing in company.

The comfort of her saloon, which opens to 360 ° on large windows, is simply stunning with the streams of sunlight that permeate all life on board. You will no longer be able to do without the aesthetic refinement of the cabins, not to mention the large Italian bathroom in the owner's suite.

Our Astréa is in its Quatuor version, equipped with **4 double cabins and 4 private bathrooms**, we have also added a single cabin in the bow to accommodate your crew, equipped with an independent bathroom.

Thanks to the watermaker, solar panels, generator and inverter you can do the galley on the day of departure and forget about every port until the day of return!
